The walls are covered in intricate, glowing patterns of light, possibly bioluminescent organisms or mineral deposits, in shades of purple, blue, and green. In the center of the lower half, there is a bright, rectangular opening or passage that glows with a warm, golden light, creating a strong contrast with the surrounding darkness.

His divine power has granted to us all things that pertain to life and godliness, through the knowledge of him who called us to his own glory and excellence, by which he has granted to us his precious and very great promises, so that through them you may become partakers of the divine nature, having escaped from the corruption that is in the world because of sinful desire.
