“Social Justice”

“is the tearing down of traditional structures and systems deemed to be oppressive and redistribution of power and resources from oppressors to victims in pursuit of equality of outcome”
“Social Justice”

Wikipedia: is justice in terms of the distribution of wealth, opportunities, & privileges within a society....the concept of social justice has often referred to the process of ensuring that individuals fulfill their societal roles & receive what was their due from society.

In the current movements for social justice, the emphasis has been on the breaking of barriers for social mobility, the creation of safety nets & economic justice. Social justice assigns rights & duties in the institutions of society, which enables people to receive the basic benefits & burdens of cooperation. The relevant institutions often include taxation, social insurance, public health, public school, public services, labor law & regulation of markets, to ensure fair distribution of wealth, and equal opportunity.
