GENESIS 2:4-17

Creation of Man

1. Creation of History

2. Creation before Fall & Flood

A vibrant, fantastical illustration of a lush garden. In the foreground, a large, gnarled tree with a dense canopy of orange and yellow leaves stands on the right. To its left, a large snake with a patterned body and a yellow fruit in its mouth is coiled around a tree. In the lower left, a lion lies on a rock. In the lower right, an elephant stands near a path. Various other animals, including a giraffe, a deer, and birds, are scattered throughout the scene. In the background, there are mountains, a waterfall, and a bright, colorful sky with many birds flying. The overall scene is a rich, detailed depiction of a garden of Eden.

3. Creation of Mankind

a. Made from Dirt

b. Made to Work

c. Made in God's Image

Creation of Eden

1. Place is a Garden

- a. Large Place
- b. Real Place
- c. Ruled Place
